What's in a name? *Everything!*

But, don't take our word for it ...

"Metro Aviation has the highest quality standards in the industry. That's why we have chosen Hickok & Associates to develop, and maintain, our GPS Instrument Flight Procedures. Hickok & Associates is the clear choice to ensure our pilots, and our customers, are provided the excellence in aviation they expect by Metro Aviation."

Jim Catlett
Director of Operations
Metro Aviation

Hickok...

...the name that is synonymous with Helicopter GPS IFR.

*The original pioneers that
turned vision into reality...*

*... and have continued originating
new capabilities for your future.*

First...

- ✓ GPS approach ever approved
- ✓ Non-fed developer of procedures
- ✓ Procedure Evaluation Pilot
- ✓ Flight Validation Pilot
- ✓ 100% Turnkey service provider

(We don't need to contract for FAA services; our customers do not have to sign FAA agreements)

WAAS LPV first & only... since 2008!
Departures 'real' departures... since 2009!
IFR Networks 2,000+ miles in use
Maintenance 150+ procedures enrolled

*(We maintain procedures developed by us, and by others;
50+ procedures have been transferred to us from FAA)*

**We will never misrepresent our accomplishments or capabilities.
We lived it- did it- and continue to do it better everyday.**
